**REQUEST TO WITHDRAW
THE HOLDING OF ABANDONMENT**

Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450
January 19, 2007

Sir:

Applicants hereby request that the holding of abandonment of the above-identified patent application be withdrawn. A Notice of Abandonment has been received indicating that the subject application was abandoned for failure to timely pay the required issue fee within the statutory period of three months from the mailing date of the Notice of Allowance dated September 15, 2006.

Applicants respectfully submit that the Notice of Allowance dated September 15, 2006, was never received by Applicants' undersigned representative. Applicants' undersigned representative has made a careful search of the entire file jacket for the subject application and the Notice of Allowance dated September 15, 2006, was not present. A review of the docket records also indicates that the Notice of Allowance was never received. Submitted herewith is Exhibit A, which is a copy of our computer docket sheet for December 15, 2006, which would have included an entry on either page 35 or

36 for payment of the Issue Fee had the Notice of Allowance been received. Our firm's typical mail handling procedure is for all mail to be docketed as soon as it is received. Further, Exhibit B is a reduced-size copy of the front of the file jacket for the subject application showing no entry thereon for the Notice of Allowance of September 15, 2006. Our firm's policy and procedure are to mark the file jacket with the Notice of Allowance date and Issue Fee due date as soon as the Notice of Allowance is joined to the file jacket and reported to the client.

In view of the evidence submitted herewith showing that the Notice of Allowance was not received by Applicants' undersigned representative prior to the expiration of the statutory period for responding to the Notice of Allowance, it is respectfully submitted that the abandonment of the application is improper. Therefore, it is respectfully requested that the abandonment of the application be withdrawn and that a new Notice of Allowance be sent to the undersigned.

In the event that any fees are due with respect to this paper, please charge our Deposit Account No. 01-2300.

Respectfully submitted,
